

FPGA FRONTRUNNER: FPGA Technology and Methodology Roadmaps

About This Event

Join us at this event where Sundance's MD, Flemming Christensen, will give a talk on **'30 years of designing FPGA Modules'** where he will be discussing; Has anything changed? Does it make technical sense? What are the commercial benefits?

Join us to find out about technology roadmaps from Intel, Lattice, AMD, Efinix, Microchip, Gowin, Aldec (Julian Lonsdale), Siemens, Fabric and IP, Tooling and Methodology.

Where

Microchip Ltd
720 Wharfedale Road,
Winnersh, RG41 5TP
United Kingdom

When

Tuesday July 16th
10:00 - 14:30 BST

Event lasts 4 hours 30 minutes

Speakers

Flemming Christensen

Sundance

Harald J Werner

Efinix

Ian Pearson
